

# Taking NYLT Home

Your “homework” assignment

During your week at **SFBAC-NYLT**, you were taught many leadership and team-building skills. You can – and should – use each and every one of these skills when you return to your home unit. If you do, you and others will have a better Scouting experience.

But if you stop using the skills you just learned, they won’t help you in scouting or later in life.

You have completed your training in NYLT, but your training is not yet done!! **You have to “take NYLT home” with you.** Here’s what you need to do in order to be able to be recognized at our Awards & Recognition Ceremony in November. Completion of this assignment entitles you to earn the SFBAC-NYLT “Trained” strip which is required if you want to apply for SFBAC-NYLT Staff.

1. Develop a VISION for your troop and discuss your VISION with your home unit leader.
2. Based on this VISION, and using the leadership skills learned at **SFBAC-NYLT**, develop a plan consisting of (3) three **SMART (SMART = Specific, Measurable, Attainable, Relevant, Timely) GOALS**
3. Implement your plan and complete these **SMART GOALS**. Upon completion of these **GOALS**, have your leader certify (on the next page) your achievement of these **GOALS**.

You and your home unit leader can visit our website [www.sfbac-nylt.org](http://www.sfbac-nylt.org) for some sample **GOALS** that others have used.

Complete your **GOALS** before the third Thursday in November, so that you can attend our Awards & Recognition Ceremony. Check our website for the location and date of this ceremony. You must confirm with your home unit leader that he/she has sent an email to the SFBAC-NYLT Council Coordinator at [info@sfbac-nylt.org](mailto:info@sfbac-nylt.org) to certify that you have completed your **GOALS**.

If you complete your **GOALS** after November, just have your leader send an email to the SFBAC-NYLT Council Coordinator and we will mail your SFBAC-NYLT “Trained” strip..

**Teaching EDGE™** – Explain, Demonstrate, Guide, Enable  
**Leading EDGE™** - Explain, Demonstrate, Guide, Enable
